A WEEKEND TO RECONNECT

Music, food & gathering

Friends, family & communities

Gathering / Food / Celebration / Live music (TBA)

Come reconnect with the people, place, and story of Kayser Ridge—and help us welcome what comes next. This anniversary weekend will celebrate the experiences that have shaped the Ridge and offer a first look at its next chapter.

A 25-year story—and what comes next

Share the people, stories, music, food, and experiences that have made Kayser Ridge an island of coherence for a quarter century. Live music and the detailed gathering schedule will be announced as plans are confirmed.

Overnight space is limited

On-site lodging is limited, with 10–12 guests preferred. Couples sharing a queen bed receive priority for two private queen rooms. If Kayser Ridge is full, consider “Over The Ridge,” a two-bedroom Berkeley Springs Airbnb; guests book independently and availability varies: [airbnb.com/rooms/1438382510225676880](https://www.airbnb.com/rooms/1438382510225676880). Other nearby lodging, including Cacapon Resort State Park, may also be available. Attendance and sleeping-space requests require separate written confirmation.
